

Turtle season begins May 1st through October 31st, during turtle season you must follow the safety guidelines set below.

Lanai lights are to be off at all times. All blinds/curtains must be closed after dark to reduce or eliminate interior light from doors and windows visible from the beach.

Lee county staff will be on the beach to ensure that the sea turtle lighting code is followed throughout the nesting season.

Any owner, renter or guest that violates the ordinance will be held responsible for any fine that is issued.

Fines begin at \$250 for the first offense and \$500 for each additional violation.
